

The Learning in Motion Academy

Welcome Back to LIM!

Our staff is very excited to open our doors on September 8th! We have been busy planning for the school year and all of the new procedures that will take place. The classrooms and bathrooms will be cleaned and sanitized before and after every class. Each child will have their own individual baggie to stay at

school, provided by LIM, with crayons, pencils, scissors, glue sticks, etc. The objects in each bag will be based on the age of your child. No snack breaks will be had in school. If a child is staying all day, lunch will be held at individual "Eating Stations" around the room to maintain social distancing.

Our "New Normal"

Adhering to the "safe distancing" requirements, **we are asking for your cooperation and patience when returning to class.**

When dropping off your child, we will be using both front doors. The main entrance (Entrance 1) - Orange studio, and 2nd entrance (Entrance 2) - blue and green studios will be labeled. Please follow the schedule that will be sent out before school begins to see which door your child will enter and exit.

Hand Sanitizing Stations

Hand sanitizer will be available for use before and after class.

Masks or face shields will be required for all children ages 2 and older.

We will work with children on learning how to wear masks/face shields appropriately. Please start practicing wearing masks at home! Names should be on all masks.

1

PARK CAR

Please park your car and walk your child to their designated door. Pick up your child at the same door.

2

HEALTH SCREENING

We will be taking temperatures and hand sanitizing before entering.

3

PICK-UP

Children will be called from their classroom one at a time to come out to their parent to provide a safe pick-up.

The Following Guidelines will be in effect:

- * All children will enter and exit through their marked colored door (See schedule). Orange classroom (big studio). Blue and Green will be classroom 2 and 3.
- * Please arrive at least 10 minutes early for class. We will begin to take children into the classroom 5 minutes before the start of class.
- * All children should be prepared for class with a small bag holding all of their necessities. Please bring water. Each child will have a designated area to put their bag.
- * We will walk children directly into class from outside to alleviate congestion in the lobby.
- * If children are staying all day, we will have a special “picnic” style lunch! Please have your child bring a beach towel for lunch, allowing us to spread out around the perimeter of the room.
- * Classrooms will be sanitized before and after all classes. This includes doorknobs, mats, tables, chairs, etc.
- * No parents will be allowed in the building to avoid congestion. If payments need to be made, please place a check or cash in the outside mailbox.
- * The front doors will be locked at all times.
- * If your child does not feel well, DO NOT BRING THEM TO CLASS. If your child has had exposure to anyone who has tested positive for COVID-19, they cannot attend class for 14 days.

A NOTE FROM YOUR LIM TEACHERS

As we move towards reopening, I want all of our families to know that the safety of our students and staff is of the utmost importance to us!

We will be diligent in our cleaning and sanitizing policies, as well as hand washing. We are committed to making this transition back into school a safe and enjoyable experience for all!

Love,

Your LIM Teachers
