

The Learning in Motion Academy is proud to present our Summer camp...

Science Explorations!

Our five week summer camp begins July 12th through August 12th. Your child will enjoy literacy, math, science experiments and art lessons based on the following scientific concepts: Animals, Space, Rocks and Fossils, Plants, and The Human Body. We believe that children learn best when they are actively engaged in their lessons and have the opportunity to communicate with their peers. That is why all of our lessons are based on active learning and include music and movement. We look forward to seeing you this summer!

Summer Schedule:
(Ages based on the class your child will be entering in the fall)
All classes are from 9:30 a.m. – 11:30 a.m.

Toddlers in Motion: Monday and/or Wednesday (18 months- 2 years old)

3's in Motion: Tuesday and/or Thursday (3 years old)

4's in Motion: Monday, Tuesday, Wednesday and/or Thursday (4 years old or older)

Kindergarten Enrichment: Monday, Tuesday, Wednesday and/or Thursday
(Children going into Kindergarten or have just completed Kindergarten)

Please visit our website at www.thelearninginmotionacademy.com or call 610-282-2231!

Name: _____ D.O.B. _____ Age: _____
Address: _____
