

The Learning in Motion Academy is proud to present our Summer camp...

## Author Explorations!

Our four week summer camp will run in two sessions this summer: Session A begins July 6th through July 16th. Session B begins July 27th through August 6th! There will not be camp the week of July 20th. Your child will enjoy literacy, math, science, and art lessons based on books by authors like Eric Carle, Laura Numeroff, David Shannon, Mo Willems, Drew Daywalt and Bill Martin, Jr. Each day your child will also have the opportunity to participate in a music and gymnastics class. We believe that children learn best when they are actively engaged in their lessons and have the opportunity to communicate with their peers. That is why all of our lessons are based on active learning. Join us for a summer of fun!
